YOUR PACKAGING:

79 × 111 mm sleeves, individually customizable in 4c – offering plenty of space for your branding and/or logo. Material: 300 g art paper or grass paper, with or without hot-foil embossing. From as little as 500 units, we can produce the sleeve packaging for you. Graphics can be created by us or by your design department using the provided template.

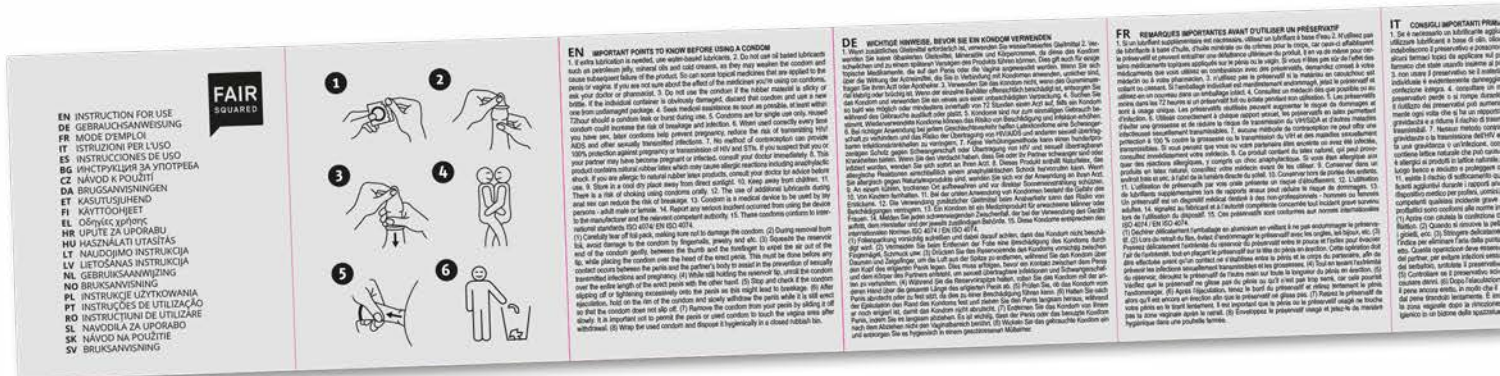

OUR CONDOM:

Our “FAIR SQUARED Ultra Thin” condoms deliver exactly what their name promises – maximum sensitivity. With a wall thickness of just 0.055 mm, this condom truly lives up to its name. Features: Condom made from fair-trade natural rubber, lubricated, transparent, cylindrical shape with reservoir tip, minimum length 180 mm, vegan (produced without casein).

SAFETY:

Our FAIR SQUARED condoms are classified as medical devices Class 2B and undergo multiple tests and inspections by independent third parties. Each condom is individually electronically tested. In our Condomedia pack, there is also an instruction leaflet in 18 languages, covering all EU languages and beyond.
